## A Culture of Collaboration at the Lake County ROE

Throughout the summer, the Lake County ROE has been hard at work honoring our commitment to develop instrumental professional learning opportunities for our local schools and districts. We have planned innovative PD experiences and made important connections with institutions that can support our commitment to furthering the skills and expertise of our Lake County educators. The outcomes of these connections and planning experiences are truly collaborative in nature. We are excited to share with our readers all the ways the Lake County ROE is collaborating with the local community throughout this new academic year. Please read below to find out more! Flyers with detailed information regarding PD opportunities can be found on pages 3 through 5. Also, be sure to check out the updated Lake County ESD twitter page to see upcoming workshops and links to register. Follow us @LakeCountyESD.

LCES can provide Professional Development for your upcoming Improvement/Institute Days  
Opportunities for learning Professional Development in the following areas of concentration

- \*ELA
- \*Math
- \*Assessment
- \*NGSS Science
- \*Continuous Improvement
- \*Evaluation/Student Growth

Please contact Dr. Julie Retzlaff (847) 223-3400 for more information.

If you have ANY administration, grade level, school, or personal information changes, please contact Jennifer at jochsner@lake.k12.il.us

Lake County Educational Services, 19525 West Washington Street, Grayslake, Illinois 60030

### The Coaching Network

This impactful professional development series will allow instructional leaders to build relationships with their administrative teams to professional learning in your buildings and district.

### Using Restorative Circles to Promote Positive Management Practices in order to Restore Justice in our Classrooms

Can we teach content before mastering positive classroom conduct? This SEL focused workshop aims to introduce participants to Restorative Justice as a foundation for high achieving classrooms. This is a deep look at how educators can create a culture of self-awareness, reflection, and effective conflict resolution. Let's go deeper than basic character education and transform the learning environment into a safe community that supports healthy relationships for students, teachers, and staff.

### Leadership in Personalized & Digital Learning

The Leadership in Personalized and Digital Learning (LPDL) program offers a job-embedded professional learning experience to prepare you to lead a personalized learning transition in your school. As a participant in the program you will have face-to-face and online opportunities to work with trained facilitators and other principals.

### MAP Professional Learning Series

The ROE is hosting THREE MAP workshops facilitated by an expert MAP trainer:

1. "Essential Reports for Administrators and District & School Goal Setting"
2. "Informing Instruction"
3. "Featured User Group & Student Goal Setting and Growth"

## News from Shay

Shay McCorkle continues to partner with districts on standards, curriculum and assessment in ELA, Social Science, and NGSS. In addition, she has been instrumental in delivering re-certification Administrator Academies regionally as well as in districts.

She continues to collaborate with PARCC ensuring that our voices in Lake County are represented. In turn, Shay collaborates with districts to complete an analysis of 2018 ELA PARCC results. She welcomes requests for PARCC ELA data analysis and encourages interested schools and districts to reach out to her.

She is looking forward to a busy academic year filled with trainings, professional development consulting, and data-informed school improvement.

## News from Nicole

In less than one month's time, Nicole Stroup has already made important contributions to the Lake County ROE. She is collaborating with "Horizons" on foundational skills and building phonics for students in grades K-3.

She is looking forward to sharing future workshop opportunities with Lake County educators that include both having fun with phonics and building a routine of best practices for foundational skills for all learners. In addition, Nicole is committed to fostering tech-based professional learning to our community. She is excited to bring STEAM to the Lake County ROE and allow educators to connect and network in various ways about introducing, using, and enhancing technology in the classrooms and throughout districts.

One exciting new feature will include a play on Educamps. Nicole is excited to relaunch our Twitter page. Check out the updated Lake County ESD twitter page to see upcoming workshops and links to register. Follow us @LakeCountyESD. She is also working to further develop our social media presence on Facebook and Instagram and will provide updates to our followers soon!

## The Coaching Network

The Coaching Network is back! This high impact 3 part series will allow instructional coaches to build relationships with their administrative teams. Administrators and coaches will be working together to build better coaching techniques, provide meaningful differentiated professional development, develop better questions, build better relationships with staff, set goals, and provide feedback to enhance teacher performance and student achievement. Share your expertise with others on different coaching models and learn the impact of each. This session will embed key components of Michael Stanier's "The Coaching Habit" to improve your questioning techniques and practice how to "say less, ask more, and change the way you lead". This professional learning series would not be possible without contributions from **Nicole Stroup**, our newest ROE member, who has several years of experience as an instructional coach. Sessions will also be supported with content facilitated by **Lauren Lipsey** and **Shay McCorkle** who bring expert experience in Math and ELA respectively. This one-of-a-kind networking experience is not to be missed!

## Social Emotional Learning – Restorative Justice

This NEW workshop has been developed by the ROE's Social Emotional Learning Consultants, **Debbie Loring** and **Janet LeMieux**. **Debbie** has over 10 years of teaching experience with a primary focus in urban education. She holds a Master's degree in Educational Psychology-School Psychology. **Janet** previously served as administrator of Hillcrest Elementary School in Antioch. She is looking forward to bringing her broad experience to our workshop and we value her contributions to the development of our SEL workshop. We are proud to introduce them both to our Lake County community! Register today for our SEL-Restorative Justice workshop on October 23!

## Leadership in Personalized & Digital Learning

We are excited to announce Lake County's collaboration with the Learning Technology Center's Leadership in Personalized and Digital Learning (LPDL) program! This job-embedded professional learning experience prepares administrators and district leaders to spearhead a personalized learning transition in their current school or district.

All components of the program, including the 5 face-to-face sessions as well as the online collaboration requirements, will be facilitated by **Katie Algrim** (Director of Innovative Professional Learning, Kane County ROE) and **Lauren Lipsey** (Math, Science, and PLC Coordinator, Lake County ROE).

Ready to register? Please read the attached flyer for further information and click here to visit the LDPL website to register yourself or your team!

## MAP Professional Learning Series

We are looking forward to hosting THREE MAP workshops facilitated by an expert MAP trainer, **Jean Maertens**. This amazing opportunity is a product of our new collaboration with NWEA spearheaded by Lauren Lipsey, our Math and Science Coordinator. Read below to find out more about each session!

### October 25, 2018 - "Essential Reports for Administrators and District & School Goal Setting"

#### **1<sup>st</sup> Hour Brief MAP Intro RIT 101 with Q & A**

##### **AM: Essential Reports for Administrators**

- Access, interpret, and apply key MAP Growth reports that school and district administrators use for planning
- Help your team interpret and apply data by conducting powerful strengths-based conversations

##### **PM: District & School Goal Setting**

- Build a shared understanding of the language typically used to talk about goal setting
- Use MAP Growth reports to help analyze student context and set growth goals
- Use MAP Growth data and resources to set goals at different levels (district, school, grade, class, and student) that support school or district improvement plans

Lake County Educational Services, 19525 West Washington Street, Grayslake, Illinois 60030

Phone: (847) 223-3400

Hours: Monday-Friday 8:00 am – 4:30 pm

# Lake County Educational Services

a Division of the Regional Office of Education

September 2018

Primary audience: School/District Leaders & staff members responsible for curriculum, instruction, and assessment

Secondary audience: Instructional Coaches, Teacher Leaders

## **January 24, 2019 - "Informing Instruction"**

This full day workshop will include the following:

Differentiating Instruction:

- Build a shared understanding of differentiated instruction
- Use MAP Growth reports to gauge student readiness
- Identify instructional resources you can use to target diverse learning needs

Instructional Ladders:

- Design tiered, responsive instructional plans by integrating standards, MAP Growth data, and local curriculum
- Engage with topics of interest, such as formative assessment or flexible grouping, to deepen your understanding of instructional planning

Primary audience: Teachers, Teacher Leaders, Instructional Coaches and staff members responsible for curriculum, instruction, and assessment (**NOTE: Administrator support is needed for this process. It is highly recommended that Principals attend with Teachers if possible**)

Secondary audience: School/District Leaders

## **May 2, 2019 - "Featured User Group & Student Goal Setting and Growth"**

**AM: User Group: Districts Share Strategies**

- Lighthouse districts will share innovative strategies related to using MAP data to promote student achievement
- Connect and collaborate with other schools and districts to share resources, ideas, and problem solve challenges

**PM: Student Goal Setting & Growth**

- Access, interpret, and apply student growth data using Achievement Status and Growth (ASG) reports
- Develop sound student learning goals using growth projections and learning statements from the Student Profile report
- Engage students in goal setting and build shared ownership of data with students and parents

Audience: School/District Leaders, Teachers, Teacher Leaders, Instructional Coaches, & staff members responsible for curriculum, instruction, and assessment

Lake County Educational Services, 19525 West Washington Street, Grayslake, Illinois 60030

Phone: (847) 223-3400

**AD81026 A.A. #3000,#3001,#3002 Principal/Teacher Evaluator Retraining Student Growth**

Date(s): 09/20/2018  
Time: 8:30AM - 3:30PM  
Location: Lake County High School Technology Campus, 19525 W. Washington St., Grayslake  
Cost: \$225 - includes Administrators' Academy credit

Presenter(s): Shay McCorkle

This is the one required student growth retraining course for principal and teacher evaluators who are renewing their designations required to evaluate staff. Evaluators will be required to participate in a pre-session webinar that will review Part 50 Administrative Rules as they relate to student growth. Participants will learn how to:

1. Use assessments and measurement models identified by the joint committee in determining the student growth attributable to individual teachers/principals and understand how different types of assessments are used for measuring growth;
2. Use data from the evaluation rubric, other evidence collected, and best practices relative to evaluating student growth to link teacher/principal and school-level professional development plans to evaluation results;
3. Create, in collaboration with teachers/principals, supportive, targeted professional development plans that consider past results, contribute to professional growth, and assist teachers/principals in aligning professional development and goal-setting to school improvement goals; and
4. Communicate evaluation outcomes and findings in constructive and supportive ways that enable teachers/principals to set goals and improve practice.

~~NOTE: Participants will have one week following the Academy to complete their A/D Component and send~~

---

**AD79187 A.A. #1374 Implementing Social and Emotional Learning Systemwide to Improve Student Achievement**

Date(s): 10/04/2018  
Time: 8:30 AM - 3:30 PM  
Location: Lake County High School Technology Campus, 19525 W. Washington St., Grayslake  
Cost: \$220 - an additional \$ for CPD or Full Administrators' Academy Credit

Presenter(s): Ruth Cross

This course will provide participants with the research and tools needed to support implementing Social-Emotional Learning system-wide to improve conditions for learning and student achievement. Participants will understand and be able to address the Illinois standards for Social and Emotional Learning (SEL); research that supports implementing SEL into district and school practices and policies; supports for the conditions for learning; as well as assessing the current levels of SEL Implementation. Participants will develop a one year plan outlining next steps to address implementing SEL system-wide.

A \$50 Processing Fee Will Be Charged If Your Registration Is Not Cancelled By 09/19/2018.

---

## **AD81027 A.A. #1448 Teacher Evaluator Competency Skill Building for Pre-Qualified Teacher Evaluators (Part 1 of 3)**

Date(s): 10/11/2018  
Time: 8:30am - 3:30pm  
Location: Lake County High School Technology Campus, 19525 W. Washington St., Grayslake  
Cost: \$225 - includes Administrators' Academy credit

Presenter(s): Shay McCorkle

Administrators who evaluate teachers must demonstrate a high rate of inter-rater reliability, and communicate evaluation outcomes in constructive and supportive ways. Administrators who evaluate teachers must also recognize and control for bias when conducting an evaluation and determining results. School districts in Illinois must provide professional development to administrators to strengthen these skills on a sustained basis. This course focuses on Domains 2 and 3, and is intended to move administrators who have passed the ISBE evaluator training, and who are very familiar with Charlotte Danielson's 2011/2013 Framework for Teaching, from compliance to competency. This course requires participants to view teaching, record data according to the Professional Practice rubric, and participate in mock evaluation conferences as evaluator, teacher, or observer. Participants will also be expected to have a high degree of inter-rater reliability when they determine a final rating based on the evidence gathered during the observations.

This course is one in a series of three courses focusing on teacher evaluator competency requirements. A \$50 Processing Fee Will Be Charged If Your Registration Is Not Cancelled By 10/08/2018.

---

## **AD79179 A.A. #1696 Effective Intercultural Communication in a Globalizing World**

Date(s): 10/17/2018  
Time: 8:30 AM - 3:30 PM  
Location: Lake County High School Technology Campus, 19525 W. Washington St., Grayslake  
Cost: \$205 - includes Administrators' Academy credit

Presenter(s): Dr. Jacinta Thomas, Jill Bruellman

Participants will: 1) examine different aspects of their individual cultural identities (race, gender, nationality, linguistic affiliation, etc) and reflect on how these aspects affect their interactions with others; 2) be introduced to specific dimensions of cultural variability (individualism/collectivism, high-context/low-context, power distance, time orientation) and their effects on intercultural encounters; 3) explore techniques for effective intercultural communication in a globalizing world; 4) comprehend the role of the principal/school leaders in facilitating a positive learning environment by fostering a culture of inclusiveness and celebrating diversity.

A \$50 Processing Fee Will Be Charged If Your Registration Is Not Cancelled By 10/02/2018.

---

## **AD79180 A.A. #1544 Using Protocols to Guide Professional Learning Conversations**

Date(s): 10/24/2018  
Time: 8:30 AM - 3:30 PM  
Location: Lake County High School Technology Campus, 19525 W. Washington St., Grayslake  
Cost: \$205 - an additional \$ for CPD or Full Administrators' Academy Credit

Presenter(s): Dr. Donald Kachur

The focus of this course is on learning to use protocols to guide professional conversations. Protocols are processes for guiding professional learning conversations, whether they occur at grade level meetings, department meetings, professional learning community (PLC) meetings, or any type of interactions among a group of educators focused on increasing student achievement and motivation. The structure of protocols includes steps to be followed in various types of conversation, the time allotted for each step, and the role different people in the group play (typically a facilitator, a presenter, and participants) in the conversations. In this course, participants will: (1) learn about the value and types of protocols and how to design various protocols for different types of professional learning conversations; (2) how to conduct a Fine Tuning protocol for groups examining a teacher's lesson or unit plans, assignments, exhibitions, assessment tools, or projects; (3) how to conduct the Vertical Slice protocol for examining students' work to address the learning and teaching; (4) how to conduct the Consultancy protocol designed to help individuals or a team think more expansively about a particular, concrete problem or issue from his/her classroom/professional life; and (5) apply the use of protocols in planning a meeting with a group of educators.

A \$50 Processing Fee Will Be Charged If Your Registration Is Not Cancelled By 10/09/2018

---

## **AD79185 A.A. #1597 Improved Crisis Decision Making for Safer School Environments**

Date(s): 10/31/2018  
Time: 8:30 AM - 3:30 PM  
Location: Lake County High School Technology Campus, 19525 W. Washington St., Grayslake  
Cost: \$205 - an additional \$ for CPD or Full Administrators' Academy Credit

Presenter(s): John Heiderscheidt

Participants will learn best practices strategy to respond to student escalations, fights, armed assailants, fires, outside emergencies, event planning and other critical events through scenarios and exercises. This experiential learning course is intended to improve the decision making and actions steps taken by school staff to improve their operational excellence in the Illinois Performance Standards for School Leaders in the criteria areas of II. Leading and Managing Systems Change (A and B) and VI. Creating and Sustaining a Culture of High Expectations (C). Participants will learn how to improve their own response to critical events and strategies to train their staff. A \$50 Processing Fee Will Be Charged If Your Registration Is Not Cancelled By 10/16/2018.

---

**AD81028 A.A. #1801 Gathering Evidence During Observations and Conferencing Using the Danielson Model (Revised 2016)**

Date(s): 11/08/2018

Time: 8:30AM - 3:30PM

Location: Lake County High School Technology Campus, 19525 W. Washington St.,  
Grayslake

Cost: \$225 - includes Administrators' Academy credit

Presenter(s): Shay McCorkle

This course will allow participants to learn effective skills and strategies for using Charlotte Danielson's Frameworks in a summative setting in order to more effectively: 1. Identify evidence at the component/element level during formal and informal observations; 2. Use evidence to effectively rate staff on the levels of performance for each domain; 3. Acquire strategies to support effective collaborative conferencing around formal and informal observations; and 4. Learn techniques, strategies and protocols to use when conferencing with staff.

A \$50 Processing Fee Will Be Charged If Your Registration Is Not Cancelled By 11/05/2018.

---

**AD79175 A.A. #1118 Law as it Relates to Teacher Rights, Liability & Litigation: Understanding Remediation and Dismissal**

Date(s): 11/15/2018

Time: 8:30 AM - 3:30 PM

Location: Lake County High School Technology Campus, 19525 W. Washington St.,  
Grayslake

Cost: \$205 - includes Administrators' Academy credit

Presenter(s): Robert Madonia

This Administrators' Academy course gives essential legal information as it applies to the instructional program, religion in public schools and student rights and shows how these areas articulate with teacher liability. A special component of the academy will be addressing the rights, employment, retention and dismissal of teachers. Time will be devoted to how administrators can proactively take steps to avoid legal pitfalls in their roles. Role-playing court in action will help to master the concepts of the academy and make it enjoyable for participants. The dissemination component will have everyone developing a legal plan that can be used in his or her district.

A \$50 Processing Fee Will Be Charged If Your Registration Is Not Cancelled By 10/31/2018.

---

**AD79181 A.A. #1414 Communicating with Staff Regarding Performance Assessment**

Date(s): 12/11/2018  
Time: 8:00 am - 3:30 PM  
Location: Lake County High School Technology Campus, 19525 W. Washington St.,  
Grayslake  
Cost: \$205

Presenter(s): Dr. Susan Baker

This course takes proven ideas from research and weaves them into practical applications that guide administrators when communicating difficult messages to staff regarding their performance. Participants will learn how to proactively develop an essential foundation of trust, respect, and confidentiality in their buildings. Strategic research and tools will be presented to help administrators predict and deal with others' difficult behavior, especially when they are under stress. Multiple opportunities will be provided to practice using listening and questioning strategies when confronting others or when resolving conflicts. In addition, administrators will analyze a difficult situation which they wish to change and develop a confrontation and action plan to help resolve the problem behavior. Strategies will also be provided for dealing with staff who refuse to improve their poor performance. With these tools, participants will be able to have productive conversations regarding staff performance and deliver difficult messages with confidence and respect.

A \$50 Processing Fee Will Be Charged If Your Registration Is Not Cancelled By 11/26/2018.

---

**AD81029 A.A. #1801 Gathering Evidence During Observations and Conferencing Using the Danielson Model (Revised 2016)**

Date(s): 01/17/2019  
Time: 8:30AM - 3:30PM  
Location: Lake County High School Technology Campus, 19525 W. Washington St.,  
Grayslake  
Cost: \$225 - includes Administrators' Academy credit

Presenter(s): Shay McCorkle

This course will allow participants to learn effective skills and strategies for using Charlotte Danielson's Frameworks in a summative setting in order to more effectively: 1. Identify evidence at the component/element level during formal and informal observations; 2. Use evidence to effectively rate staff on the levels of performance for each domain; 3. Acquire strategies to support effective collaborative conferencing around formal and informal observations; and 4. Learn techniques, strategies and protocols to use when conferencing with staff.

A \$50 Processing Fee Will Be Charged If Your Registration Is Not Cancelled By 01/02/2019.

---

**AD79176 A.A. #1085 Legal Issues in Special Education: Putting Theory Into Practice- Revised and Updated**

Date(s): 02/13/2019

Time: 8:30 AM - 3:30 PM

Location: Lake County High School Technology Campus, 19525 W. Washington St., Grayslake

Cost: \$205 - includes Administrators' Academy credit

Presenter(s): Michelle Todd, Bennett Rodick

Participants will understand how to formulate an action plan for their buildings or districts using the latest information about IDEA, NCLB, recent court cases, and changes in regulations as they relate to students with special needs.

A \$50 Processing Fee Will Be Charged If Your Registration Is Not Cancelled By 01/29/2019.

**AD79186 A.A. #1597 Improved Crisis Decision Making for Safer School Environments**

Date(s): 02/28/2019  
Time: 8:30 AM - 3:30 PM  
Location: Lake County High School Technology Campus, 19525 W. Washington St., Grayslake  
Cost: \$205 - an additional \$ for CPD or Full Administrators' Academy Credit

Presenter(s): John Heiderscheidt

Participants will learn best practices strategy to respond to student escalations, fights, armed assailants, fires, outside emergencies, event planning and other critical events through scenarios and exercises. This experiential learning course is intended to improve the decision making and actions steps taken by school staff to improve their operational excellence in the Illinois Performance Standards for School Leaders in the criteria areas of II. Leading and Managing Systems Change (A and B) and VI. Creating and Sustaining a Culture of High Expectations (C). Participants will learn how to improve their own response to critical events and strategies to train their staff. A \$50 Processing Fee Will Be Charged If Your Registration Is Not Cancelled By 02/13/2019.

---

**AD81031 A.A. #1448 Teacher Evaluator Competency Skill Building for Pre-Qualified Teacher Evaluators (Part 1 of 3)**

Date(s): 03/07/2019  
Time: 8:30AM - 3:30PM  
Location: Lake County High School Technology Campus, 19525 W. Washington St., Grayslake  
Cost: \$225 - includes Administrators' Academy credit

Presenter(s): Shay McCorkle

Administrators who evaluate teachers must demonstrate a high rate of inter-rater reliability, and communicate evaluation outcomes in constructive and supportive ways. Administrators who evaluate teachers must also recognize and control for bias when conducting an evaluation and determining results. School districts in Illinois must provide professional development to administrators to strengthen these skills on a sustained basis. This course focuses on Domains 2 and 3, and is intended to move administrators who have passed the ISBE evaluator training, and who are very familiar with Charlotte Danielson's 2011/2013 Framework for Teaching, from compliance to competency. This course requires participants to view teaching, record data according to the Professional Practice rubric, and participate in mock evaluation conferences as evaluator, teacher, or observer. Participants will also be expected to have a high degree of inter-rater reliability when they determine a final rating based on the evidence gathered during the observations.

This course is one in a series of three courses focusing on teacher evaluator competency requirements. A \$50 Processing Fee Will Be Charged If Your Registration Is Not Cancelled By 02/28/2019.

Registration is online - [www.lake.k12.il.us](http://www.lake.k12.il.us), click workshops

## **AD79182 A.A. #1616 Update on School Law; Social Media and Special Education Law**

Date(s): 04/03/2019  
Time: 8:30AM - 3:30PM  
Location: Lake County High School Technology Campus, 19525 W. Washington St.,  
Grayslake  
Cost: \$220 - an additional \$ for CPD or Full Administrators' Academy Credit

Presenter(s): Brandon Wright

This course is a detailed review of the laws and regulations relating to use of social media and similar technology in schools, with a specific focus on issues relating to students with disabilities. It includes the implications and use of social media by staff and students during school and personal time, including a review of the relevant laws and regulations, case law, and current legal disputes relevant to those issues.

Application & Dissemination will be completed in-class.

A \$50 Processing Fee Will Be Charged If Your Registration Is Not Cancelled By 03/19/2019.

---

## **AD81025 A.A. #3000,#3001,#3002 Principal/Teacher Evaluator Retraining Student Growth**

Date(s): 04/09/2019  
Time: 8:30AM - 3:30PM  
Location: Lake County High School Technology Campus, 19525 W. Washington St.,  
Grayslake  
Cost: \$225 - includes Administrators' Academy credit

Presenter(s): Shay McCorkle

This is the one required student growth retraining course for principal and teacher evaluators who are renewing their designations required to evaluate staff. Evaluators will be required to participate in a pre-session webinar that will review Part 50 Administrative Rules as they relate to student growth. Participants will learn how to:

1. Use assessments and measurement models identified by the joint committee in determining the student growth attributable to individual teachers/principals and understand how different types of assessments are used for measuring growth;
2. Use data from the evaluation rubric, other evidence collected, and best practices relative to evaluating student growth to link teacher/principal and school-level professional development plans to evaluation results;
3. Create, in collaboration with teachers/principals, supportive, targeted professional development plans that consider past results, contribute to professional growth, and assist teachers/principals in aligning professional development and goal-setting to school improvement goals; and
4. Communicate evaluation outcomes and findings in constructive and supportive ways that enable teachers/principals to set goals and improve practice.

**NOTE:** Participants will have one week following the Academy to complete their A/D Component and send

---

## **AD81032 A.A. #1452 Teacher Evaluator Competency Skill Building for Pre-Qualified Teacher Evaluators (Part 3 of 3)**

Date(s): 04/11/2019  
Time: 8:30 am - 3:30 PM  
Location: Lake County High School Technology Campus, 19525 W. Washington St., Grayslake  
Cost: \$225 - includes Administrators' Academy credit

Presenter(s): Shay McCorkle

This course focuses on Competencies 3 and 4, of the rules, Section 50.420, Competencies of Qualified Evaluators, Sub-section b. This course will teach participants how to use data sets from summative teacher evaluations to design teacher professional development; and how to collaborate with teachers to develop targeted professional development plans which contribute to professional growth. This course is intended to move educators who have passed the ISBE evaluator training from compliance to competency. This course includes a one hour pre-assignment which will be e-mailed to participants after confirmation of registration. It would be beneficial for participants to have completed Parts 1 and 2 of this 3-part series, Illinois Administrators' Academy course numbers 1448 and 1451.

A \$50 Processing Fee Will Be Charged If Your Registration Is Not Cancelled By 04/04/2019.

## **AD79183 A.A. #1782 What Can Be Learned from Great Business, Military, Political, Social and Sports Leaders**

Date(s): 04/16/2019  
Time: 8:30 am - 3:30 pm  
Location: Lake County High School Technology Campus, 19525 W. Washington St., Grayslake  
Cost: \$205 - an additional \$ for CPD or Full Administrators' Academy Credit

Presenter(s): Dr. Donald Kachur

This leadership course will help participants review the characteristics of effective leadership, analyze the principles of leadership used by recognized leaders within business, military, political, social issues, and sports, and prepare a Developmental Application Plan to achieve success within their own educational setting. Participants will be able to review leadership skills and qualities as demonstrated by leaders from the fields of business, military, politics, social issues, and sports, and be able to reflect upon the meaning and the application of those leadership principles and attributes to 21st century real life school situations (PERA-teacher evaluation, school improvement, staff training and retention, motivating students and staff, parental involvement, and technology challenges). For those participants seeking Administrator Academy credit, they will create a Developmental Application Plan utilizing leadership skills and qualities reviewed in the course to address one major educational issue (e.g., school culture, school improvement, professional development, supporting teacher leaders, increasing parental involvement) needing attention in their school setting. This course is an updated version of AA #224 Developing Leadership Principles through the Study of Great Leaders.

A \$50 Processing Fee Will Be Charged If Your Registration Is Not Cancelled By 04/01/2019.

Registration is online - [www.lake.k12.il.us](http://www.lake.k12.il.us), click workshops

## **AD79190 A.A. #988 Interpersonal & Team Communication Skills for School Administrators**

Date(s): 06/12/2019  
Time: 8:30 AM - 3:30 PM  
Location: Lake County High School Technology Campus, 19525 W. Washington St., Grayslake  
Cost: \$220 - includes Administrators' Academy credit

Presenter(s): Michael Onatolu, Gwen Onatolu

This course is designed to help improve communication, ease frustration and conflict, and develop effective school leaders and school teams. The course and supporting materials are based on extensive field research on the psychology of interpersonal dynamics and utilizes an industry standard behavioral-based learning assessment developed by John Wiley and Sons, Inc. The ultimate goal is to have administrators apply their knowledge of workplace styles to improve relationships and enhance personal effectiveness and team performance. Administrators will complete an online Everything DiSC (R) profile assessment prior to attending this course. The course content can help administrators and other school leaders to: (a) Identify the four primary communication styles in the workplace and explain the general tendencies and priorities; (b) Understand their own style and tendencies and learn how to adapt behaviors; (c) Learn strategies to manage the different styles; (d) Promote appreciation of differences across the styles; (e) Reduce conflict; and (f) Enhance personal and team performance.

A \$50 Processing Fee Will Be Charged If Your Registration Is Not Cancelled By 05/28/2019.

## **AD81034 A.A. #1801 Gathering Evidence During Observations and Conferencing Using the Danielson Model (Revised 2016)**

Date(s): 06/20/2019

Time: 8:30 am - 3:30 pm

Location: Lake County High School Technology Campus, 19525 W. Washington St.,  
Grayslake

Cost: \$225 - includes Administrators' Academy credit

Presenter(s): Shay McCorkle

This course will allow participants to learn effective skills and strategies for using Charlotte Danielson's Frameworks in a summative setting in order to more effectively:

1. Identify evidence at the component/element level during formal and informal observations;
2. Use evidence to effectively rate staff on the levels of performance for each domain;
3. Acquire strategies to support effective collaborative conferencing around formal and informal observations;  
and
4. Learn techniques, strategies and protocols to use when conferencing with staff.

A \$50 Processing Fee Will Be Charged If Your Registration Is Not Cancelled By 06/17/2019.

## **LA81128 Introduction to the Illinois Social Science Standards for K-5**

Date(s): 09/25/2018  
Time: 8:30am - 2:00pm  
Location: Lake County High School Technology Campus, 19525 W. Washington St.,  
Grayslake  
Cost: \$80 Lake County Coop Members \$95 All Others

Presenter(s): Shay McCorkle

This workshop will introduce participants to the Illinois Social Science Standards. Participants in this workshop will leave with an understanding of both the inquiry skills and disciplinary concepts that come together in these standards to take student learning to the next level. An investigation on how these standards impact curriculum, assessment, and instruction in our social studies classrooms. Teachers will have the opportunity to review, analyze, and discuss the Illinois Learning Standards for Social Science.

A \$15 Processing Fee Will Be Charged If Your Registration Is Not Cancelled By 09/18/2018.

---

## **LA81129 Implementing the Illinois Social Science Standards for Middle School & High School**

Date(s): 09/27/2018  
Time: 8:30am - 2:00pm  
Location: Lake County High School Technology Campus, 19525 W. Washington St.,  
Grayslake  
Cost: \$80 Lake County Coop Members \$95 All Others

Presenter(s): Shay McCorkle

This workshop will focus on how teachers are implementing the Illinois Social Science Standards. Participants will discuss strategies that support both the inquiry skills and disciplinary concepts necessary to take student learning to the next level. An investigation on how these standards impact curriculum, assessment, and instruction in our social studies classrooms. Teachers will have the opportunity to review, analyze, and discuss the Illinois Learning Standards for Social Science. Bring your challenges and enhance your current practice.

A \$15 Processing Fee Will Be Charged If Your Registration Is Not Cancelled By 09/25/2018.

## LA81130 PARCC Data Analysis & ROE Support: ELA & Math (Grades 3-5)

Date(s): 10/10/2018  
Time: 8:30am - 3:30pm  
Location: Lake County High School Technology Campus, 19525 W. Washington St.,  
Grayslake  
Cost: \$80 Lake County Coop Members \$95 All Others

Presenter(s): Shay McCorkle, Lauren Lipsey

The PARCC 2018 ELA and Math results are in! Join your colleagues for an overview of how to analyze the data on a school and/or district level. Our Lake County ROE data experts will provide specific details on various PARCC analysis reports available that can help all staff and impact student learning. In addition, we will share how the ROE has supported Lake County districts in PARCC assessment consultation that includes both data analysis and professional learning activities to assist in the dissemination of results to staff.

This workshop is facilitated by Shay McCorkle (ELA-AM session) and Lauren Lipsey (Math-PM session) who have ample experience analyzing PARCC data at the school and district level throughout Lake County. To fully participate in this workshop, all attendees are strongly encouraged to bring their 2018 PARCC data and an electronic device. Don't miss out on this one-of-a-kind opportunity!

**To fully participate in this workshop, all attendees are strongly encouraged to bring their 2018 PARCC data and an electronic device.**

## **ME84009 Guided Math in the 6 - 8 Classroom**

Date(s): 09/26/2018  
Time: 8:30am - 3:30pm  
Location: Lake County High School Technology Campus, 19525 W. Washington St.,  
Grayslake  
Cost: \$65 Lake County Coop Members \$75 All Others

Presenter(s): Amanda Taxis, Jenna Jensen

Interested in learning how to structure your middle school math classes with a guided math approach, but feel unprepared or unsure of how to start? Worried that you do not have enough instructional minutes to roll out guided math with your students? Join us for this fun and engaging workshop centered on best practices in the guided math classroom and begin planning your own guided math classroom with the help of an expert in the field. Our presenter will work with you to problem-solve guided math implementation and assist in your planning. This workshop has been tailored to meet the needs of middle school math teachers who have at least 40 minutes of math instruction per day.

A \$25 Processing Fee Will Be Charged If Your Registration Is Not Cancelled By 09/11/2018.

## **SD79088 Restorative Practices: We Have The Power To Stop Most Students From Dropping Out of School**

Date(s): 09/10/2018

Time: 8:30am - 3:30pm

Location: College of Lake County, 19351 W. Washington St., Grayslake

Cost: \$125

Presenter(s): Kelvin Oliver

Schools have little to no control when students dropout because of family or financial issues. With that said, many students have dropped out because they were being bullied by other students or they felt the adults in the school didn't care about them. These are two issues that schools can control. For students to want to stay in school, they need to feel safe and welcome. This is why it's essential for schools to prioritize fostering a positive climate and culture that encourages students to stay in school.

Restorative Practices, Social Emotional Learning and Positive Behaviors Interventions and Supports can all have a positive impact on the climate and culture of a school. With all initiatives, there will always be deficiencies. One can look to any of these frameworks and determine that they alone will not meet the diverse needs of their campus. Therefore, we have created a training that provides a framework for how to synergize Restorative Practices, Social Emotional Learning and PBIS to meet the diverse needs of the students on your campus.

By the end of this training, participants will understand how to develop a campus framework that will allow them to incorporate the key elements of Restorative Practices, Social Emotional Learning (SEL) and Positive Behavior Interventions and Supports (PBIS) to improve the climate and culture of their school.

*This workshop is provided free of charge for Truants' Alternative and Optional Education Program (TAOEP) and*

---

## **SD81014 Instructional Coaching Network**

Date(s): 10/02/2018; 10/02/2018; 01/30/2019; 05/07/2019

Time: 8:30am - 3:30pm

Location: Lake County High School Technology Campus, 19525 W. Washington St., Grayslake

Cost: \$115 Lake County Coop Members \$140 All Others

Presenter(s): Shay McCorkle, Nicole Stroup, Lauren Lipsey

**The Coaching Network is back!** This impactful professional development series will allow instructional leaders to build relationships with their administrative teams to professional learning in your buildings and district.

Administrators and coaches will be working together to build better coaching techniques, provide meaningful differentiated professional development, develop better questions, build better relationships with staff, set goals, and provide feedback to enhance teacher performance and student achievement.

### **The Coaching Network Session 1: Create a Coaching Habit: Reflecting on Your Role**

#### Morning Description 8:30 - 11:30:

Meet with instructional leaders to collaborate, problem-solve, strategize, and share ideas about your experiences as an instructional leader. Share your expertise with others on different coaching models and learn the impact of each. This session will embed key components of Michael Stanier's "The Coaching Habit" to improve your questioning techniques and practice how to "say less, ask more, and change the way you lead". Lastly, learn how to differentiate professional development to meet the needs of all teachers through the use of Digital Learning Communities.

Registration is online - [www.lake.k12.il.us](http://www.lake.k12.il.us), click workshops

## **SD81015 Using Restorative Circles to Promote Positive Management Practices in order to Restore Justice in our Classrooms**

Date(s): 10/23/2018  
Time: 8:30am - 3:30pm  
Location: Lake County High School Technology Campus, 19525 W. Washington St., Grayslake  
Cost: \$95 Lake County Coop Members \$110 All Others

Presenter(s): Deborah Loring, Janet LeMieux, Shay McCorkle, Lauren Lipsey

Can we teach content before mastering positive classroom conduct? This SEL focused workshop aims to introduce participants to Restorative Justice as a foundation for high achieving classrooms. This is a deep look at how educators can create a culture of self-awareness, reflection, and effective conflict resolution. Let's go deeper than basic character education and transform the learning environment into a safe community that supports healthy relationships for students, teachers, and staff.

### Workshop Objectives:

- Participants will understand what SEL is and be able to describe the five competencies: self-awareness, self-management, social awareness, relationship skills, and responsible decision-making, as well as, the short-term and behavioral/academic outcomes.
- Participants will learn about "restorative justice" and will be introduced to practices that can be used in the school environment.
- ~~Participants will learn how to facilitate connecting circles and how to engage in restorative chats~~

## **SD84004 MAP: Professional Learning Series "Essential Reports for Administrators and District & School Goal Setting"**

Date(s): 10/25/2018  
Time: 8:30am - 3:30  
Location: Lake County High School Technology Campus, 19525 W. Washington St., Grayslake  
Cost: \$80 Lake County Coop Members \$100 All Others

Presenter(s): Jean Maertens

1st Hour Brief MAP Intro RIT 101 with Q & A

### AM: Essential Reports for Administrators

- + Access, interpret, and apply key MAP Growth reports that school and district administrators use for planning
- + Help your team interpret and apply data by conducting powerful strengths-based conversations

### PM: District & School Goal Setting

- + Build a shared understanding of the language typically used to talk about goal setting
- + Use MAP Growth reports to help analyze student context and set growth goals
- + Use MAP Growth data and resources to set goals at different levels (district, school, grade, class, and student) that support school or district improvement plans

Special offer! Send 3 participants from the same district and pay \$200/group of 3 (Lake County Coop Members) and \$240/group of 3 (Non-Coop Members). Please register online, then email Jennifer Ochener, [jochener@lake.k12.il.us](mailto:jochener@lake.k12.il.us) to  
Registration is online - [www.lake.k12.il.us](http://www.lake.k12.il.us), click workshops

## **SD84005 MAP: Professional Learning Series: *Informing Instruction***

Date(s): 01/24/2019  
Time: 8:30am - 3:30  
Location: Lake County High School Technology Campus, 19525 W. Washington St., Grayslake  
Cost: \$80 Lake County Coop Members \$100 All Others

Presenter(s): Jean Maertens

This full day workshop will include the following:

Differentiating Instruction:

- + Build a shared understanding of differentiated instruction
- + Use MAP Growth reports to gauge student readiness
- + Identify instructional resources you can use to target diverse learning needs

Instructional Ladders:

- + Design tiered, responsive instructional plans by integrating standards, MAP Growth data, and local curriculum
- + Engage with topics of interest, such as formative assessment or flexible grouping, to deepen your understanding of instructional planning

**NOTE:** Administrator support is needed for this process. It is highly recommended that Principals attend with Teachers if possible

---

## **SD84006 MAP: Professional Learning Series "Featured User Group & Student Goal Setting and Growth"**

Date(s): 05/02/2019  
Time: 8:30am - 3:30  
Location: College of Lake County, 19351 W. Washington St., Grayslake  
Cost: \$80 Lake County Coop Members \$100 All Others

Presenter(s): Jean Maertens

AM: User Group: Districts Share Strategies

- +Lighthouse districts will share innovative strategies related to using MAP data to promote student achievement
- +Connect and collaborate with other schools and districts to share resources, ideas, and problem solve challenges

PM: Student Goal Setting & Growth

- +Access, interpret, and apply student growth data using Achievement Status and Growth (ASG) reports
- +Develop sound student learning goals using growth projections and learning statements from the Student Profile report
- +Engage students in goal setting and build shared ownership of data with students and parents

Special offer! Send 3 participants from the same district and pay \$200/group of 3 (Lake County Coop Members) and \$240/group of 3 (Non-Coop Members). Please register online, then email Jennifer Ochsner, [jochsner@lake.k12.il.us](mailto:jochsner@lake.k12.il.us), to request the special offer.

A \$50 Processing Fee Will Be Charged If Your Registration Is Not Cancelled By 04/17/2019

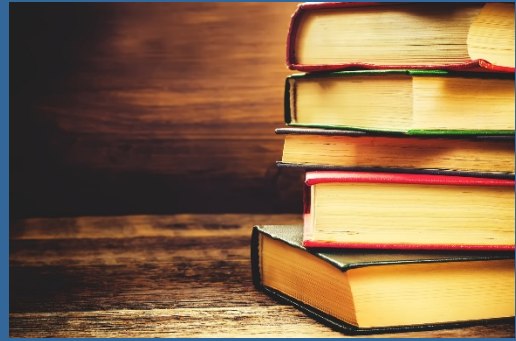

Registration is online - [www.lake.k12.il.us](http://www.lake.k12.il.us), click workshops

## Media Center

The Media Center Library is a specialized collection of resources available for check out by Lake County Cooperative Membership district administrators and teachers. The collection consists of:

- Books (professional growth, textbooks, and fiction and nonfiction tradebooks)
- DVDs (content area supplements and professional growth)
- Science, social science, and math kits (kits often contain everything a teacher needs to complete the unit)
- StarLab (portable planetarium containing ten cylinders - Constellation, Starfield, Ocean, Native American, Biological Cell, Greek Mythology, Plate Tectonics, Weather, Moon, and the Solar System & Galaxy)

### Hours:

Monday – Friday: 8:00 a.m. – 4:15 p.m.

Federal Holidays: Closed

School Holidays: Call

## Workshop Registration

- Registration is online only. You can find our registration form here: [registration form](#)
- In most cases, registration closes 14 days prior to the start date of the workshop. No refunds will be given after that date.
  - There is a \$25.00 processing fee if you have not registered on-line or are registering past the close date and have been approved for a workshop. These fees will be added to the cost for the workshop. Any discounts you are entitled to will also be reflected on the invoice you will receive when your registration is confirmed.
- Each district has its own way of handling registrations. Please check with your department chair for your district's procedures.
- Approval from your district/school approver is required in order to complete your registration. Upon approval, an email confirmation and invoice will be sent to you.
- **IF YOU DO NOT RECEIVE AN EMAIL CONFIRMATION, YOU ARE NOT REGISTERED FOR THE CLASS.**

## Payments

- APPROVING A REGISTRATION CONSTITUTES AN AGREEMENT TO PAY.
- If you are paying yourself, payment is required prior to the beginning of the workshop.
- Please make checks payable to Lake County Educational Services.
- We do not accept credit, debit or P-cards.
- Please return a copy of the invoice with your payment.

## Cancellations and Refunds

- If a workshop is cancelled for any reason, participants will be notified prior to the date of the workshop and full refunds will be given to all who have paid.
- Participants who notify LCES that they are dropping the class on or before the registration deadline will not be required to pay any fee.
- Participants who drop after the registration deadline will be responsible for paying a processing fee (listed online), however alternates can be sent for a \$10 fee.
