- Children **must** be eligible for the Federal Vaccine for Children program. The child must be either (a) have Medicaid or All Kids, (b) be American Indian or Alaskan Native, (c) be totally uninsured, or (d) have insurance that does not cover their immunizations.
- If a parent cannot accompany their child to the clinic, they must provide a written note allowing another adult to consent to the child's vaccinations.
- An adult must remain with children under 18 years old at all times
- Immunization Records are required at all clinics – please bring your child's records.
- If the school has sent any immunization papers home, please bring those along with your child's records
- Children's Shots are \$15.00 each. Children will not be denied services based on ability to pay.
- To get a replacement for a lost immunization record, please bring a valid ID. The fee is \$2.00 per lost record.
- We take Medicaid, Medicare Part B, All Kids, Cash, and Checks at all locations. We accept Credit Cards in Waukegan only.

New Requirements

For the 2012-2013 school year, all children from 6th through 12th grades will be required to have a Tetanus, Diphtheria, and Pertussis (**Tdap**) vaccination. The older Td vaccine is not an acceptable substitution, except in rare medical circumstances.

It is also expected that these additional school vaccination rules will be passed:

- All children will require two doses **each** of measles, mumps, and rubella vaccines for the 2012-2013 school year. The previous rule was two doses measles vaccine, and one dose each of mumps and rubella vaccines.
- All children Kindergarten through 10th grades will require **two** doses of Varicella (chicken pox) vaccine for the 2012-2013 school year. The previous rule was one dose varicella vaccine.
