

## NORTH MILL CREEK-DUTCH GAP CANAL WATERSHED-BASED PLAN

### ACKNOWLEDGEMENTS

The North Mill Creek-Dutch Gap Canal Watershed Plan was funded in part through the United States Environmental Protection Agency Section 319(h) of the Clean Water Act program administered by the Illinois Environmental Protection Agency. The Lake County Stormwater Management Commission (SMC) also provided funds and in-kind services including project coordination and management; report authorship; geographical information systems support; consultant contract administration; stakeholder input coordination; education and outreach plan; and design layout services.

Several agencies and individuals provided significant contributions to this plan including the North Mill Creek-Dutch Gap watershed stakeholder planning committee whose members include representatives from municipal, county, state and federal agencies, homeowner and lake associations, agricultural producers, and interested groups and individuals from throughout the watershed. Of particular mention are Patty Werner, Jodi McCarthy, Mike Prusila, Jeff Laramy, Mike Novotney, and Andrea Cline of SMC; and Mike Adam, Kathy Paap and staff of the Lake County Health Department Lakes Management Unit. Jeff Boeckler and James Adamson of Northwater Consultants and Joy Corona of Bleck Engineering contributed significant support to SMC with analyzing the data and writing sections of the plan report. Northwater was supported by Jessica Spurlock and Derrick Martin of V3 Consultants. Scott Tomkins of Illinois EPA was our patient grant manager.

The Lake Villa Public Library, Antioch Township Center, the Villages of Lindenhurst and Bristol, Sunflower Farms Inc, St. Mark's Lutheran Church and the State Bank of the Lakes in Lindenhurst graciously supported our watershed planning effort by providing us with comfortable places to meet.

Most of all we would like to recognize the project partners and watershed stakeholders whose interest in protecting, restoring, and enhancing the North Mill Creek /Dutch Gap Canal watershed has been critical to the success of this plan. The following people participated in watershed planning meetings/events:

<i>Last Name</i>	<i>First Name</i>	<i>Title</i>	<i>Company</i>
<b><i>Helker</i></b>	Craig	Stream Biologist	Wisconsin DNR
<b><i>Welsh</i></b>	Wesley	Dir. of Public Works	Village of Lindenhurst
<b><i>Marturano</i></b>	Dominic	Village Trustee	Village of Lindenhurst
<b><i>Heimbrodt</i></b>	Dennis	Village Engineer	Village of Antioch
<b><i>Elfering</i></b>	Noel		Town of Bristol
<b><i>Kerkman</i></b>	Randall	Town Administrator	Town of Bristol
<b><i>Fisch</i></b>	Colleen	Supervisor	Town of Bristol
<b><i>Gossling</i></b>	Richard J.	President	Town of Bristol
<b><i>McCabe</i></b>	John	Supervisor	Town of Bristol
<b><i>Glembocki</i></b>	William	Trustee	Town of Bristol
<b><i>Tesar</i></b>	Diane	Town Chair	Town of Salem
<b><i>Leffingwell</i></b>	Larry		Tempel Farms
<b><i>DeWitt</i></b>	Doug	Project Mgr.	Tallgrass Restoration, LLC
<b><i>May</i></b>	Phil	Manager	Sunflower Farm
<b><i>Craig</i></b>	Evan	Chair	Sierra Club Woods & Wetlands
