

STORMWATER MANAGEMENT COMMISSION

MEETING ANNOUNCEMENT

Greetings North Mill Creek / Dutch Gap Canal Watershed Stakeholder

Please plan to attend the next North Mill Creek / Dutch Gap Canal watershed meeting, which will be held on **Thursday April 29th from 6:30 pm to 8:30 pm at the Bristol Municipal Building, 19801 83rd Street, Bristol, Wisconsin.** All are welcome – please join us!

Thank you to all who attended the March meeting – it was very productive. A meeting report that includes the voting results for prioritizing watershed issues and opportunities will be sent out with a meeting agenda the week prior to the meeting. It will also be posted on the Lake County Stormwater Management Commission (SMC) website at: www.lakecountyil.gov/Stormwater/LakeCountyWatersheds/NorthMill.htm.

SMC is drafting an April meeting agenda, if you have a discussion item or announcement you would like us to include – please get back to Jodi by Wednesday April 21st so that we can include it. We will send out the draft agenda along with the last meeting report by Thursday, April 22nd.

At the April meeting, we will have a focused presentation and discussion of land use and proposed future land use changes in the watershed. We will also recap the prioritized watershed issues and opportunities and will use these priorities to begin developing a watershed vision statement and plan goals.

Over the course of our planning meetings, we will spend a few minutes at each meeting **“Getting to Know”** a watershed stakeholder – or stakeholder organization better. (*The Upper Des Plaines River Ecosystem Partnership was highlighted at the March meeting.*) The Lake County Forest Preserve District and the Lake County Planning & Development Department volunteered to present their organizations at the April meeting, so we look forward to getting to know them better. We will be looking for volunteers for the May meeting – you just need to spend 5 minutes telling us about who you represent – whether it is yourself or an organization. Let us know at the meeting, or via email, if you would like a May meeting slot.

Please mark your calendar and plan to attend the meeting. Feel free to contact us if you have questions, comments or suggestions. We look forward to seeing you on the 29th!

The SMC North Mill Creek planning team:

Patty Werner, Planning Supervisor	pwerner@lakecountyil.gov	847-918-5269
Jodi McCarthy, Civil Engineer	jmccarthy@lakecountyil.gov	847-918-7692
Mike Prusila, Watershed Planner	mprusila@lakecountyil.gov	877-918-5266
