

**NORTH MILL CREEK/DUTCH GAP CANAL
WATERSHED PLANNING MEETING
JUNE 3, 2:00 TO 4:00 PM**

Meeting Purpose: To bring stakeholders in the North Mill Creek/Dutch Gap Canal watershed together to learn more about riparian stream management and buffers; to review and refine the plan draft goal statements; to begin development of a watershed vision statement.

Desired Outcomes: By the end of the meeting we expect to:

- To have a common understanding of what riparian buffers are and why they are beneficial to the overall watershed health. Additional focus will be put on how these areas are maintained and managed in both agricultural and residential areas;
- Finalize the plan goal statements developed from the discussions at the last meeting;
- Have a common understanding of the definition and purpose of a vision statement. Discuss elements of and begin drafting a vision statement for the watershed.
