### **North Mill Creek / Dutch Gap Watershed Tour**

**“Rural and Suburban: Spanning the  
State Line”**

**Sat., September 25, 2010**

Join us for a tour of the North Mill Creek/Dutch Gap watershed as we visit locations that define the diverse areas of the watershed from rural to suburban - wetlands to uplands, forest preserves and farms to planned corporate business centers. Experts and local residents will discuss the unique features of the watershed and the challenges of maintaining water quality, providing stormwater management, and preserving natural areas and working lands as open space.

*Tour will go on rain or shine! A comfortable chartered bus, tour guide, lunch and snacks will be provided.*
