

STORMWATER MANAGEMENT COMMISSION

Stormwater Management Commission

SMC Mission:

Provide desired community services toward the primary goal of flood damage reduction and surface water quality improvement.

SMC Stormwater Management Program

The SMC Comprehensive Plan is statutorily mandated and describes SMC's mission and presents objectives and policies and basic stormwater principles as a framework for SMC's stormwater management functions and activities.

The Comprehensive Plan includes a detailed breakdown of services into functional areas shown above and a number of supporting activities that comprise its stormwater management program. SMC has a staff of 19 and a yearly budget which varies but is near \$2 Million. With additional grant funding the total annual budget is near \$5 Million
