

# Public Information Meeting #1

*You're Invited*

The Lake County Division of Transportation (LCDOT) is conducting a preliminary engineering study at the intersection of Fairfield Rd. and Monaville Rd. The project will look at potential improvements to reduce congestion and improve safety at the intersection. You are invited to attend a public information meeting to provide comments and learn more about the study project.

The meeting will be conducted in an informal, open house format. You may attend anytime between 5 - 7pm. Representatives from LCDOT and the County's consultant will be available to discuss the project and answer any questions.

This meeting will be accessible to handicapped individuals. Persons planning to attend who will need a sign language interpreter, other similar accommodations or any special assistance should notify the LCDOT at least five days prior to the meeting by contacting Mr. Matt Emde at (847) 377-7452 or [MEnde@lakecountyil.gov](mailto:MEnde@lakecountyil.gov). Project information and updates will be posted to the Lake County website. Please visit [www.lakecountyil.gov/transportation](http://www.lakecountyil.gov/transportation)

## Please join us
