CAMPAIGN DISCLOSURE

When petitions for a public question are filed with the local election official, a *Notice of Obligation* (State Board of Elections form D-5) should be made available to the proponent/opponent whose name is indicated on the petition or to the attorney for the proponents.

Illinois campaign disclosure laws require that financial details must be reported when \$5,000 has been collected or expended in support of or opposing a public question. Political committees anticipating reaching the \$5,000 threshold should file a *Statement of Organization* (State Board of Elections form D-1). For a courtesy packet on campaign disclosure filing, including a form D-1, email our office at elections@lakecountyclerk.gov or call (847) 377-2407.

Filing a *Statement of Organization* (State Board of Elections form D-1) as a political committee or as proponents/opponents of a public question serves to create a campaign committee as required under Illinois campaign disclosure laws. A date stamped receipt for filing a D-1 with the State Board of Elections is a prerequisite for purchase of registered voter information on diskette.

INITIATING A REFERENDUM

INTRODUCTION 10 ILCS 5/28-1 ET SEQ

Article 28 of the Illinois Election Code provides detailed information about the authority, requirements and procedures for submitting public questions to the voters of the state or a particular political subdivision.

First, any public question must be founded in specific statutory or Constitutional authority. Then, filing methods, deadlines, signature minimums, question content and other requirements and conditions are dictated by the type of public question and entity of origin. It is important to review the pertinent statutes and to consult an attorney before proceeding. Actions may also be affected by recent case law and Illinois Attorney Generals' Opinions.

The Lake County Clerk's Office cannot provide legal advice. Instead, this brochure is intended to be a general outline with guidelines on where to find the more specific, appropriate information.

AUTHORITY 10 ILCS 5/28-1; 28-6; 28-7

A question of public policy may be submitted to the voters by referendum when authorized by statute or provided by the Illinois Constitution.

The method for initiating the submission of a public question to the voters of a designated unit of government may be accomplished by:

- 1.) Ordinance or resolution of the governing board for the unit of government, or
- 2.) A petition containing the required number of signatures of registered voters in the district.

FILING PETITIONS

WHEN TO FILE 10 ILCS 5/28-2; 28-6; 28-7

A petition for a public question shall be filed not less than 92 days prior to a regular election to be eligible for submission on the ballot.

A resolution or ordinance initiating a public question must be adopted by the appropriate local governing board not less than 79 days before a regular election and must be certified to the County Clerk for ballot not later than 68 days before the election.

(Note exception: It is important to consult the Illinois Election Code as public questions pursuant to the Property Tax Code or those proposing formation of a political subdivision, for example, may have different deadlines.)

WHERE TO FILE

A petition to initiate a public question for submission to the voters within a district or local unit of government **must be filed with the local election official for the unit of government it is affecting**. For example, an advisory referendum regarding a village or municipality must be filed with the local village or municipal clerk. **(Note exception:** For example, a petition to annex contiguous municipalities must be filed with the circuit court clerk.)

For purposes of legal notice, a petition should include a certificate stating the name and address of one proponent of the public question or the attorney for the proponents.

TYPE OF PUBLIC QUESTION

LEGALLY BINDING QUESTIONS 10 ILCS 5/28-1

A legally binding question is one for which there is statutory authority for the action initiated by the political subdivision of government (i.e. bond issue, increase in a tax levy rate, etc.).

- Question is mandatory and is legally binding.
- Question can be placed on the ballot by an ordinance or resolution adopted by the governing body of a political subdivision, e.g., a village, school district or special district.

ADVISORY QUESTIONS 10 ILCS 5/28-1; 5/28-6

All other public questions are non-binding and are referred to as advisory questions.

- Method for gauging public opinion.
- Results are not binding on the unit of government.
- Subject to the general petition requirements found in the Illinois Election Code and the referendum petition requirements.
- Petition must be signed by registered voters in the district.
- Minimum number of required signatures is 8% of total votes cast for gubernatorial candidates in the preceding gubernatorial election within the impacted district.
- Authorizing statutes may limit a referendum to submission at a particular election.

INITIATED BY PETITION

REQUIREMENTS 10 ILCS 5/28-2; 28-3

The County Clerk's office can provide copies of the pertinent statutes, but cannot provide legal counsel on the content or creation of petitions.

By court opinion, petition sheets must:

- Contain a uniform heading stating the
 - Question to be submitted,
 - Political subdivision, district or precinct in which it is to be submitted, and
 - Election at which it is to be submitted.
- Be of uniform size.
- Be fastened together in a secure manner.
- Be numbered consecutively beginning with #1 on the top sheet.
- Include the signatures of registered voters in the political subdivision with their residence addresses printed.
- Include the circulator's signature at the bottom of each petition page.
- Have circulator's signature notarized by someone other than the circulator.

PETITION SIGNATURE REQUIREMENTS 10 ILCS 5/28-6

- Must be signed by registered voters in the district.
- Total signatures required is at least 8% of total votes cast for candidates for governor in the preceding gubernatorial election within the district impacted by the public question. **(Note exception:** For example, a municipal annexation petition must be signed by 10% of the electors of the area seeking annexation.)
- Any person signing a petition must be a registered voter within the district in question.
- The voter must sign his/her signature in the presence of the circulator and must indicate on the petition his/her residence address, including street address and city, town or village.

CIRCULATOR REQUIREMENTS 10 ILCS 5/3-6

The circulator must:

- Be 17 years of age or older (If 17 years old, 18th birthday must occur by the next immediately following general or consolidated election.),
- Be a United States citizen,
- **Personally witness** all the qualified signatures given on the petition, and
- Affirm and sign the required affidavit (found on the bottom of each petition sheet) in the presence of a notary public stating that all signatures were taken in his or her presence.
