

## APPENDIX 3

# LCDOT SPECIALTY PAY ITEMS LIST

Created: April 1, 2007  
Revised: March 29, 2019  
Version: 1.0

The Lake County Division of Transportation (LCDOT) has created this list of Specialty Pay Items to supplement the Illinois Department of Transportation (IDOT) Coded Pay Items (IDOT web site [Coded Pay Items](#)).

Firms or individuals submitting plans to LCDOT for review and/or approval should attempt first to use the IDOT coded pay items. The LCDOT specialty pay items shall only be used if an appropriate pay item cannot be found in the IDOT list.

In the event that an item of work requires a new pay item – you can't find a corresponding pay item in either the IDOT or LCDOT lists – contact your LCDOT department liaison to request a new pay item. Do not create your own number!
