The Property Tax Process

TOWNSHIP ASSESSORS & CHIEF COUNTY ASSESSMENT OFFICE
Determine properties’ taxable values (The assessment process determines how the “property tax pie” is sliced.)

BOARD OF REVIEW
Hears appeals and adjusts to taxable values

COUNTY CLERK’S OFFICE
Determines tax rates based on levies and values

TREASURER’S OFFICE
Collects tax bill payments and distributes to taxing bodies

*Taxing bodies determine the amount of taxes to collect or the “size of the pie.” You have a say in this at public meetings.
