Resolution adopting a revised Fee for the Geographic Information System (GIS) Fund.

**RESOLUTION**

**WHEREAS**, the GIS Fund is funded by a \$7 fee collected from citizens who record documents;  
and

**WHEREAS**, Lake County Geographic Information System (GIS) Fee has not been raised  
since November of 2004; and

**WHEREAS**, the GIS Fee pays for the gathering, storing, processing and delivery of  
geographic information to share and display data in an easy-to-use format, and

**WHEREAS**, GIS has proven to be integral in a variety of public and private decision-making  
processes, and

**WHEREAS**, 55 ILCS 5/3-5018 (from Ch. 34, par. 3-5018) allows for the raising of fees  
provided the counties do an appropriate cost study; and

**WHEREAS**, a fee study analysis was performed by the Finance Department regarding the  
costs associated with Lake County's GIS program; and

**WHEREAS**, based on the findings, the GIS Fee was recommended to be increased from \$7  
to \$23 in order to capture the cost of running Lake County's GIS program, and

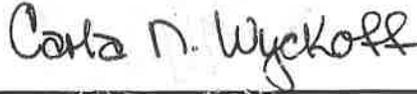

**WHEREAS**, it is necessary for the County Board to formally adopt the rate increase.

**NOW, THEREFORE, BE IT RESOLVED**, to adopt the recommended GIS Fee increase to be  
effective on December 1st, 2017.

Dated, this 12th day of September, 2017.
