EXPLANATION OF AMENDMENT

The proposed amendment would add a new section to the Bill of Rights Article of the Illinois Constitution that would guarantee workers the fundamental right to organize and to bargain collectively and to negotiate wages, hours, and working conditions, and to promote their economic welfare and safety at work. The new amendment would also prohibit from being passed any new law that interferes with, negates, or diminishes the right of employees to organize and bargain collectively over their wages, hours, and other terms and conditions of employment and workplace safety.
