

Registration Form
Water Heater Replacement

This registration form should be used only for in-kind water heater replacement. No permit will be required for the replacement of the water heater. In all cases, the requirements listed on page 2 will apply. This process is designed to maximize customer convenience. However, the customer always has the right to seek a permit and a follow-up inspection. Lake County reserves the right to inspect any construction performed whether permitted or registered.

You may apply for registrations online through at the website: WWW.LAKECOUNTYIL.GOV/3912/PERMIT Registrations can also be applied for in person at the Central Permit Facility. A non-refundable registration fee is required and can be made with cash, check or credit card. The fee schedule can be found at lakecountyil.gov/3678/fee-schedule.

Upon submission and review of the registration form and payment of the fee, the project will be registered. Construction cannot begin until you receive confirmation from this office that your registration is complete. (Please complete the information below and sign)
