VS.

Court Case No.

Defendant - (Tenant or Occupant)

The Lake County Sheriff's Office serves Orders of Replevin filed to recover "goods or chattels" within the geographical limits of Lake County. To schedule the service and/or enforcement of a Replevin Order, the Plaintiff or Plaintiff's Attorney must provide the Sheriff's Office with two copies of the Court Order, one of which must be certified by the Clerk of the Court of Lake County.

The Plaintiff must also provide the Sheriff's Office a Bond, double the amount of the value of the property to be replevied, for the purpose of saving and keeping harmless the Sheriff's Office in seizing the aforesaid property. The Bond must specifically indemnify and hold harmless the Sheriff's Office of Lake County. The Court Order must have the name, address and phone number of the Plaintiff as well as the attorney information for billing purposes.

- Service Fees apply for the service of the Order of Replevin.

Additionally, if the Sheriff's Office enforces the Replevin Order by seizing property and turning possession over to the Plaintiff the following fees will apply:

- Enforcement Fee: See Fee Schedule. Each additional hour will be billed at \$124 per hour.
A standard one hour Enforcement Fee shall apply; after which the Plaintiff will be billed in 15 minutes increments
Manpower shall be at the sole discretion of the Sheriff's Office
Manpower will be reduced throughout the duration as deemed necessary by the Deputy Sheriff personnel on scene

For a Replevin (With or Without Notice): the Court Order must provide for the Sheriff's Office to be able to use reasonable force including but not limited to the use of a lock smith to gain entry into the dwelling listed on the Court Order, where the property is to be seized. The Plaintiff must provide "timely" means, to remove the property such as capable movers, tow trucks, trailers, and/or special mobile equipment.
