

## **Batch Plant for Road Construction Submittal Requirements, Conditions and Restrictions**

### **Submittal Requirements**

- A site plan or map, drawn to scale, shall be submitted showing the location of structures, improvements, parking areas and other features that exist or are proposed on the site.
- Owner's permission shall be obtained for the use of the subject property.

### **Conditions and Restrictions**

- Use shall be confined to PIN\_\_\_\_\_.
- Use shall be confined to the dates beginning\_\_\_\_\_and extending through\_\_\_\_\_. (The period for which the permit shall be valid shall not exceed the duration of the construction contract by more than 14 days)
- Batch plants shall be located a minimum of 1,000 feet from any building used for residential purposes.
- All facilities placed or located on the site shall be removed and the site restored to a clean and vegetated condition within the time-frame of the permit.
- Temporary structures shall be located at least 4 feet from any buildings or structures on the subject property, and shall not encroach into any required landscaping.
- The Planning, Building and Development Director shall have the authority to suspend, revoke or modify a temporary use permit immediately upon determination that the conditions and requirements set forth in the permit have been violated. Written notice of the Planning, Building and Development Director's determination to suspend, revoke or modify the permit shall be promptly provided by the applicant. A determination shall be final and conclusive unless the applicant takes an appeal to the Planning, Building and Zoning Committee, by filing a notice of appeal with the Chairman of the Committee within 10 calendar days after receipt of notice of the Planning, Building and Development Director's determination.
- The Planning, Building and Development Director shall have the authority to deny Temporary Use Permits to any person who owns, applied for or

otherwise caused an uncorrected violation of a provision of Chapter 151 of the Lake County, Illinois Code of Ordinances (the Lake County Code) or who has demonstrated a willful history of violations, including any condition attached to the permit or approval previously granted by the county. This provision shall apply regardless of whether the property for which the permit or other approval is sought is the property in violation.

- The Planning, Building and Development Director shall have the authority to deny Temporary Use Permits on any land or structure or improvements thereon upon which there is an uncorrected violation of a provision of the Lake County Code, including any condition attached to a permit or approval previously granted by the County. This enforcement provision shall apply regardless of whether the current owner or applicant is responsible for the violation in question.
- It shall be the responsibility of the applicant to see that the area used for the batch plant is maintained in a condition that provides for the public health, safety and welfare. In the event that authorized personnel from the Lake County Sheriff's Office determine that the activity is a threat to the public health, safety and welfare, the Sheriff's Office shall have the right to terminate the activity to ensure the health, safety or general welfare.

***I, the undersigned, have read and agree to abide by the above stated requirements, conditions, and restrictions for use of the subject property for which this Temporary Use Permit is being granted.***
