Introduction

The information contained in this package is to help you become familiar with the various requirements which must be met before an application for an appeal is accepted and also to prepare you to provide testimony and address any questions which might be raised at the public hearing.

Illinois Compiled Statutes, Chapter 55, Section 5/5 -12011 and 5/5 -12012 contain statutory provisions relating to an Administrative Appeal.

Once your application is accepted, the entire appeal process generally takes about 2 to 3 months to complete. Careful and proper preparation of your application is essential and, in the long run, will save considerable time and expense for both yourself and the County.

If you should have any questions, please feel free to call the Lake County Planning, Building and Development Department at (847) 377-2600. If you wish to visit the office to discuss your application, please call ahead for an appointment.

Before Filing the Application

You are strongly urged to meet with the Staff of the Zoning Board of Appeals (ZBA) before preparing an application. The Staff will advise you on the correct form to use, how to complete the application, explain the procedures involved and attempt to identify potential problems which might be encountered. You should also obtain a copy of Chapter 151 of the Lake County, Illinois Code of Ordinances (the Lake County Code) available from the Lake County Planning, Building and Development Department or on-line at <http://www.lakecountyil.gov/2051/Unified-Development-Ordinance> and become familiar with the standards and requirements applicable to the property subject of an appeal.

An appeal may be taken by any aggrieved person or by an officer, department, board or bureau of the County. **An appeal shall be taken within thirty-five (35) days after the date of the administrative officer's decision.** A copy of the application shall be filed with the officer from whom the appeal is taken, and an original copy shall be filed with the office of the ZBA.

The Public Hearing

The public hearing is generally held approximately five weeks after an application is accepted and filed. The time of the hearing is scheduled by the ZBA, and the hearing is held in the Central Permit Facility, Libertyville, IL. The attached sheet (page 4) outlines the procedure followed by the ZBA at the public hearing. In addition to the filing fee, you will be billed separately for the cost of publishing the legal notice of the hearing in the newspaper. Further, in all cases it is required that a court reporter be present to transcribe the proceedings and to provide a copy of the transcript to the office of the ZBA. If you wish to arrange for a court reporter, you must so inform staff when you file the appeal, otherwise staff will schedule a court reporter and you will be billed separately. In either case, you are responsible for all costs incurred.

After the Public Hearing

Once the public hearing is concluded, the ZBA, may make its determination on the day of the hearing after the testimony has concluded or it may take the application under advisement. A decision may not be reached until the monthly review meeting of the ZBA which is held on the first Friday of each month. These meetings are open to the public. However, no additional evidence or testimony is accepted unless such was specifically requested at the public hearing.

One continuation of the hearing is allowed. A fee will be assessed whenever a further continuation is requested by the applicant or is required due to the failure of the applicant to produce evidence previously requested by the Board.

The ZBA will generally make its decision within five weeks of the hearing. This determination will depend upon when, during the month, the hearing was held, the adequacy of the evidence submitted and the receipt of the transcript. The ZBA is required to render a written decision within 30 days of the receipt of the hearing transcript. The decision of the ZBA is final. An affirmative vote of four members of the ZBA is required in order to reverse any order, requirement, decision or determination of any administrative official.

Again, the entire process generally takes from 2 to 3 months to complete from the date the application is filed.
