

Zoning Determination Application

COMMENTARY: This document has been created by the Lake County Planning, Building and Development Department as a tool to guide the applicant(s) through the application process for a written Zoning Determination (i.e: zoning classification, setback analysis, permitted uses, etc.) Within 30 days of receipt of a completed application and the required fee¹, the Planning, Building and Development Director shall:

- Review and evaluate the application taking into account the standards found in (UDO). (<http://lakecountyl.gov/2051/Unified-Development-Ordinance>), the Official Zoning Maps and any relevant documentation provided by the applicant and otherwise available to the Department.
- Consult with other staff.
- Render a written decision.

1. Applicant Information

Name: _____

Address: _____

Telephone # () _____

2. Property Information

Property Index Number(s): _____

Zoning District: _____

Township: _____
