

NEWS FROM THE
RECORDER OF DEEDS
MARY ELLEN VANDERVENTER

AUGUST 2019

Look for us on LCTV!

The Lake County Recorder's Office, along with the Lake County Veterans Assistance Commission would like to inform you of two important ways for Veterans and their families to receive significant information.

Please take a moment to watch the Recorder's latest cable TV show "Doing Good Deeds for You" which was taped at the Veterans Assistance Commission in Gurnee. With a focus on our Veterans, this show is a great resource, filled with information to support you and your family. You can find the show on the Recorder's website www.lakecountyil.gov/recorder, the VAC website www.lakecountyil.gov/veterans or for local TV listings, visit lakecounty.tv and click on "LCTV Schedule" to find the correct channel in your viewing area.

The Recorder's office is the official keeper of your military paperwork (DD214) and the VAC is available to assist you no matter what your needs may be. Both offices provide services to veterans at no charge!

We appreciate the dedication and commitment of the men and women who have served in the United States Military. You have served your country, now let us work for you!

Office Closed

The Lake County Recorder of Deeds Office will be closed on Monday, September 2nd in observance of Labor Day.
