

## ***A holistic approach to behavioral health services***

Independence Center provides Behavioral Health Services to Adults 18 and older with history of SPMI. ***Our mission is to enhance the quality of life, to promote independent functioning and to facilitate personal growth.*** To Achieve this, Independence Center(IC) provides ongoing Employment, Educational, Social, Housing Opportunities and Supports. Speak with an employment specialist about **all** services offered at the Independence Center, including:

- Obtaining and maintaining competitive employment.
- Post-secondary educational pursuits.
- Subsidized housing (studios and one-bedroom apartments).
- Individual and group therapy.
- Adult Outpatient Services (Case Management).
- Psychosocial Rehabilitation Program (Day Program).

Talk to a staff member from the Independence Center during Walk-in Behavioral Health Services at the Job Center of Lake County (1 N. Genesee St. Waukegan, IL). See the Job Center calendar for the next scheduled date: <http://lakecountyil.gov/393/Calendars>

Additional information about the Independence Center can be found at [www.icwaukegan.org](http://www.icwaukegan.org) or (847) 360-1020
