Your County Board at Work

I'm proud of our accomplishments. Here are just some examples of our work so far:

Your Environment

- Developing several solar energy initiatives designed to increase the availability and use of solar power in the region
- Created a new Energy & Environment Committee
- Installing idle-free technology on part of the county fleet, saving \$60,000 per year in fuel costs and reducing emissions

Your Trust in Government

- Reforming the Ethics Ordinance
- Eliminated P-cards (county-issued credit cards) for County Board members
- Began videotaping all board committee meetings
- Strengthened vendor disclosure requirements

Your Well-Being

- Initiated a study for a comprehensive crisis care center
- Authorized grants to provide education, outreach and therapeutic services to address gambling addiction

Protect Your Home: Floodproofing Information Meeting

September 17, 10 a.m. - Noon
Warren Newport Public Library
Meeting Room A/B
224 O'Plaine Rd, Gurnee

Get some important floodproofing tips and learn about how increased rainfall is impacting Lake County.

Staff from the Lake County Stormwater Management Commission (SMC) will share information about how frequent and stronger rainfall events in Lake County are impacting residents, business owners and public and private development projects, provide floodproofing tips and resources, and answer questions.
