Honored To Serve Veterans

The Lake County Recorder of Deeds Office, along with the Lake County Veterans Assistance Commission would like to inform you of two important ways for veterans and their families to receive significant information.

Please take a moment to watch the Recorder of Deeds cable TV show "Doing Good Deeds for You" which was taped at the Veterans Assistance Commission (VAC) in Gurnee. With a focus on our veterans, this show is a great resource, filled with information to support you and your family. You can find the show on the Recorder of Deeds website <https://www.lakecountyil.gov/recorder>, the VAC website <https://www.lakecountyil.gov/veterans> or for local TV listings, visit <http://lakecounty.tv> and click on "LCTV Schedule" to find the correct channel in your viewing area.

The Recorder of Deeds Office is the official keeper of your military paperwork (DD214) and the VAC is available to assist you no matter what your needs may be. Both offices provide services to veterans at no charge!

We appreciate the dedication and commitment of the men and women who have served in the United States military. You have served your country, now let us work for you!

Veteran's Brochure

Veterans, this brochure is here to assist you in maneuvering the many services available to you here in Lake County.

Not a veteran? Please share the important information and available services with any veteran you may know, and thank them for their service!
