

# RECORDING COVERSHEET

NON-STANDARD DOCUMENT

RE-RECORDED DOCUMENT - previously recorded as document number

(Lake County numbers consist of 7 Digits)

PLEASE ALSO STATE THE REASON FOR RE-RECORDING IN THE BOX BELOW

- A “re-recorded document” refers to the recording of a previously recorded document and is used to correct or modify the document after the original recording.
- The changes or additions reflected by the re-recording should be made on either the original document or on a certified copy and then attached to this coversheet.
- For the convenience of title searchers, no pages or information should be deleted from the original. Corrections should be made by crossing out the incorrect version and adding the correct information. This allows the searcher to easily identify the before and after versions.

**Please update the following information when re-recording**
