

National Weather Service SEVERE WEATHER SPOTTER CLASS

Tuesday, March 31, 2020

7:00 p.m. to 9:00 p.m.

hosted by

D128 Community Education Program

and

Lake County IL Emergency Management

Presented by the Chicago Office of the National Weather Service

One of the professional meteorologists from the Chicago Office of the National Weather Service will discuss the nature of severe weather systems, the do's and don'ts during severe weather, how to report severe weather to the National Weather Service, and the role of trained spotters in helping communities and the National Weather Service.

No Fee! No Registration! Public Welcome!

**7:00 p.m. Session
Tuesday, March 31, 2020**

**Vernon Hills High School Auditorium
145 Lakeview Parkway
Vernon Hills, IL 60061**

Additional Courses are available in the Chicago Area
