VOLUNTEER OPPORTUNITIES

LCEMA participates in a variety of organizations across the county that help build communities resilient to all hazards and disasters. Here are ways to get involved as a LCEMA volunteer:

- Participate in community outreach and pre-planned events like the Lake County Fair

- Assist in our Emergency Operations Center during an emergency

- Participate in developing, executing, and evaluating exercises

- Review emergency operations plans

- Assist with inventory management

- Provide information and aid to communities during emergencies

- Support Health Department staff at point of dispensing sites (PODs) during public health emergencies

- Collaborate with our local partners including Community Emergency Response Teams (CERTs), Medical Reserve Corps (MRC), United Way, and American Red Cross during emergencies and exercises

- Coordinate other volunteers and volunteer events and training

LCEMA MISSION

Prepare the Lake County community and government through a "whole of government" approach to respond to emergencies of all types in a responsive, efficient, and effective manner. Assist municipalities, other government entities, and key community partners operating in Lake County to build resiliency in their preparedness. Develop and maintain a staff of emergency management professionals available to advise and guide leadership at all levels of government before, during, and after an emergency.

LCEMA VISION

A model and innovative emergency management program executed through strong partnerships and inspiring leadership.
