Be Sure to Vote in the November Election

You can choose whether to vote by mail or vote in person during early voting or on Election Day. Whatever you do, be sure to vote. To vote by mail, you must request a ballot from the Lake County Clerk's office. You may mail your completed ballot back to the clerk, or drop it in one of the many postage-free drop boxes around Lake County. **Learn more about voting in November at www.lakecountyclerk.info.**

Flu Season is Almost Here. Get Your Flu Shot!

During the COVID-19 pandemic, flu shots are more important than ever before. Because COVID-19 and the flu are caused by different viruses, it is possible to get sick from both, even at the same time. Getting the flu vaccine this season helps protect yourself and others with from influenza. **Call the Lake County Health Department at 847-377-8470 to find out how you can get a flu shot.**
