MEDIA RELEASE

Warren Township Shooting

On November 14, 2020, at approximately 2:00PM, Lake County Sheriff's Deputies were dispatched to the 33800 block of North Oak Street, Warren Township, for a report of multiple shots fired.

Sheriff's deputies arrived on the scene within two minutes and located a 36-year-old man, who resides in the 33800 block of North Oak Street, wounded. The first responding sheriff's deputies performed life-saving measures until paramedics arrived. The man was transported to an area hospital via ambulance, with critical injuries. It was determined the man was struck with multiple gunshots.

Preliminary investigation shows a male arrived and approached the victim, who was standing outside in front of his home. The offender shot toward the man several times and then fled on foot. He then entered a vehicle and fled from the scene. Based on the information obtained by sheriff's detectives, it does not appear this was a random attack.

The incident remains under investigations by the Lake County Sheriff's Office Criminal Investigations Division. Anyone with information about this incident is encouraged to call detectives at 847-377-4250.
