ARE YOU OVER 65?

You are eligible for the COVID-19 vaccine.

Learn about your options for getting a safe and effective vaccine.

4 ways to get a
COVID-19 VACCINE

REGISTER ON THE LAKE COUNTY ALLVAX PORTAL

Register to get notified when you can make an appointment.*
The portal also connects with other partners in the county to give you
the best access to vaccination sites. Sign up at AllVax.lakecohealth.org.
To register by phone, call (847) 377-8130.

FIND A COMMUNITY VACCINATION SITE

Community sites are providing vaccines to residents who qualify.
See the list at lakecountyil.gov/vaccine.

USE THE ILLINOIS VACCINE LOCATOR

Find vaccine locations, such as local pharmacies, on a map. New locations
are added every week. Go to coronavirus.illinois.gov/s/vaccination-location.

CHECK WITH YOUR HEALTHCARE PROVIDER

Providers are reaching out to their patients to schedule appointments.
Visit your health system's website to learn more.

Choose which way works best for you! You don't have to wait until you are notified by AllVax.

Learn more at lakecountyil.gov/vaccine
Need help? Call (847) 377-8130

Tune in to LCTV at 5:30 p.m. every day for vaccine updates.
Channels and coverage may vary.
