Open Burning & Landscape Waste Disposal Options in Unincorporated Lake County

Dear Neighbors,

Lake County has been discussing alternatives to the open burning of landscape waste in unincorporated areas. As part of this effort, Lake County seeks to learn more about how you are currently disposing of your landscape waste, and what types of open burning restrictions you may like to see, if any.

As your District 1 County Board Member, I represent the largest unincorporated area in Lake County potentially affected by any open burning restrictions. I welcome your feedback and encourage you to share your input, questions, and concerns on our interactive web page:

lakecountyiil.gov/openburninginput

As always, you may contact me with any questions or concerns regarding this issue or any matter related to Lake County government and the Lake County Forest Preserves. I'm honored to serve you and look forward to your input.

Regards,
Linda Pedersen
Lake County Board Member, District 1
