Happy Graduation

This week we said goodbye to our student intern, Kevin. Kevin is graduating from Cristo Rey St. Martin High School in Waukegan!! He has been part of our Recorder's family for several years.

We are proud of all that Kevin has accomplished, all while juggling school, interning and work.

It is an honor to partner with CRSM each year to help develop life and professional skills for their students. Truth be told, these students bring more joy and gifts to us than we ever thought possible.

Best of luck in college and beyond, Kevin!! We know you will accomplish great things. Go set the world on fire!

Plats of Survey

Homeowners buying/selling/renovating their properties may require a copy of their plat of survey to complete the sales process or obtain a permit.

Please note that the Lake County Recorder of Deeds Office DOES NOT maintain a database of plats of survey.

If you did not receive a plat of survey at your closing then you will most likely need to have a professional land surveyor prepare a new one for you.

Office Closed

The Lake County Recorder of Deeds Office will be closed on Monday, July 5th in observance of Independence Day.
