Consumers Credit Union

We're a financial institution just like a bank, except not exactly. Banks have *customers*, but because we're a not-for-profit, member-owned credit union, we have *members*. And because we're not a bank, we don't drive up profits just because shareholders demand it. Instead, we focus on driving up member happiness through low loan rates, high deposit rates and low- or no-fee products and services. We focus on things like transparency, simplicity, helpfulness, integrity, positivity and inclusion – and we always put our members first.

In fact, we serve nearly 178,000 members and have over \$2.6 billion in assets. We employ nearly 500 people in the Chicago area and have 18 branch locations in Illinois. We offer access to a national shared branching network, and more than 80,000 surcharge-free ATMs worldwide. And although we've been around for over 80 years, we're just getting started!
