# Virtual Information Meeting on Open Burning and Landscape Waste Disposal Options in Unincorporated Lake County

Join a virtual informational meeting at 5 p.m. Tuesday, July 13 for an update on open burning in the unincorporated areas, the work Lake County is doing to evaluate viable landscape disposal options and potential next steps. Staff also will answer frequently asked questions from the County's recent public survey.

Register for the July 13 virtual meeting at [lakecountyil.gov/virtualinfomeeting](https://lakecountyil.gov/virtualinfomeeting). Information on how to access the Zoom meeting will be sent to your email address after registration.

Lake County is in the initial phases of considering reasonable permanent restrictions on open burning and consolidated waste hauling services in unincorporated areas to protect the health, safety and welfare of residents. No final plans are being determined at this time.
