With a humble beginning in 2001 and emphasis to safety, we have been catering to the needs of the Lake County school Districts. We are a leading provider of student transportation, committed to getting children to school safely, on time and ready to learn. Our buses have varying capacities to ply from 12 to 71 students. With the safest and best-trained employees, and unmatched customer service, we have grown to a mini fleet with over 10 buses and 60 vans. We pride in our safety programs along with proven operational practices. Our drivers undergo employee background screening with annual evaluations and record checks. Our buses undergo daily safety inspections. Make Topline your top priority for all transportation needs.
