PREA Incident Reviews

The Lake County Sheriff's Office Adult Correctional Division Facility shall review all reports of sexual abuse/assault incidents per PREA Standard § 115.86. Under this standard, the Correctional Division must conduct a sexual abuse incident review at the conclusion of every sexual abuse investigation, including where the allegation has not been substantiated, unless the allegation has been determined to be unfounded. Such review will ordinarily occur within thirty (30) days of the conclusion of the investigation. The review team will include upper-level management officials, with input from line supervisors, investigators, and medical or mental health practitioners. The Correctional Division will implement the recommendations for improvement or document its reasons for not doing so.

Review Criteria:

1. Consider whether the allegation or investigation indicates a need to change policy or practice to better prevent, detect, or respond to sexual abuse.
2. Consider whether the alleged incident was motivated by race; ethnicity; gender identity; lesbian, gay, bisexual, transgender, or intersex identification, status, or perceived status; or gang affiliation; or was motivated or otherwise caused by other group dynamics at the facility.
3. Examine the area in the facility where the allegation occurred to assess whether physical barriers in the area may enable abuse.
4. Assess the adequacy of staffing levels in that area during different shifts.
5. Assess whether monitoring technology should be deployed or augmented to supplement supervision by staff.
6. Prepare a report of its findings, including but not necessarily limited to determinations made pursuant to the above requirements and any recommendations for improvement and submit such report to the Chief of Corrections and the PREA Coordinator.

Analysis/Corrective Action

Analysis: The need to complete refresher training on PREA was due. Roll call training was completed but more in-depth training need to be given to all staff to remain in compliance and up to date with PREA.

Corrective Action: All staff were assigned the new PREA training courses through the new on-line training program Relias. There were 4 courses assigned totaling 7.5 hours of training that included the following topics:

- **PREA: An Introduction and Overview**
- **PREA: Dynamics of Sexual Abuse in Correctional Systems**
- **PREA: Reporting Obligations and Retaliation Protections**
- **PREA: Staff Roles and Responsibilities Under the Prison Rape**

as educated on the importance of proper notification to command all PREA or possible PREA related incidents immediately after discovery or receiving the report from an inmate. To comply with PREA training requirements all staff completed a three (3) hour National Institute of Corrections online class.
