

CERTIFICATION OF AMOUNTS REDUCED FROM DISTRIBUTIONS TO TAXING DISTRICTS IN LAKE COUNTY, ILLINOIS FOR TAX YEAR 2020

In accordance with Section 18-233 of the Illinois Property Tax Code, 35 ILCS 200/18-233, I hereby certify the aggregate refunds and adjustments made in Tax Year 2020 for the issuance of a certificate of error, a court order issued pursuant to an assessment valuation complaint under 23-15 of the Illinois Property Tax Code, or a final administrative decision of the Property Tax Appeal Board.

This certification is made with the following limitations:

- 1) We will continue to make adjustment as a result of certificate of errors, PTAB decisions, and court decisions until we close our books on tax year 2020. As a result, these are not the final figures for tax year 2020.
- 2) The amounts certified under the category PTAB include court decisions as a result of a complaint about assessed value. Our year end settlement includes a category of court orders, but those are court orders in tax rate objection complaints which are not covered by Section 18-233.
- 3) TIFs and SSAs are not included because they do not fall under the definition of taxing district in Section 1-150 of the Property Tax Code.
