

Hire Lake County

UCC Environmental

UCC is a global leader in material handling solutions and multi-pollutant control technologies.

Over the past 100 years, our third-generation, family-owned business has earned a reputation for driving innovation, providing reliable solutions and cultivating trusted partnerships with our customers. Customer satisfaction is the fabric of our organization and it is our mission to be responsive to our Customers' needs. We know that we are only successful when our Customers' businesses thrive. Our customer-centric mindset drives our actions, therefore, we empower our employees to make decisions that benefit of our Customers. We anticipate customer needs, honor our commitments, and deliver performance beyond expectations. This foundation has allowed us to become a recognized global leader in material handling and environmental solutions with customers and installations worldwide.

Headquartered in Illinois, USA, UCC offers global support from over 50 sales and service locations around the world. Global operations in the United States, Germany, India, Thailand and China allow the company to seamlessly serve its international customer base.
