Country Meadows Montessori School

Country Meadows is a private not for profit school offering programming for Toddler (15 months) through 8th grade based upon the philosophy of Dr. Maria Montessori. Classes are organized by a three-year model providing a familiar setting, which encourages long-term friendships and allows for maximum advantage of the teacher/student relationship.

Country Meadows is open to enrolling children of any race, creed, national origin, religious belief, and socio-economic backgrounds. We are dedicated to fostering the Montessori tradition in our school and in the community.

Job Description

Private not for profit Montessori School is seeking candidates for a toddler classroom (15 month-3 yrs.) and a multi-aged preschool/kindergarten classroom. Duties involve close supervision of children (1:5 toddler and 1:10 preschool/kindergarten) during the morning work cycle, maintaining the cleanliness/straightening/disinfecting of work materials, running the lunch, playground and nap time for each class including after school care. Seek persons who love working with children and are respectful.

On the job training from Supervising Teacher will provide excellent experience for future career opportunities. Classrooms, wooded playground, extra classes in P.E./Music/Dance and Spanish give a whole child developmental program. Benefits included. Salaries dependent on college and experience you bring to the position. Wonderful community of staff and parents that include long lasting relationships.
