Homewatch CareGivers Northshore

Homewatch CareGivers Northshore is a professional home care agency dedicated to providing comprehensive in-home care services, senior and elder care services and Alzheimer's and dementia care. We offer both 24 hour live-in and hourly care services to Chicago area residents, including Cook County, Lake County and the North Shore suburbs. We strive to maintain our clients' independence, dignity, and self-esteem, while supplying them with the support and care they need. With more than 35 years of in-home care experience, our compassionate team of in-home caregivers is ready to ensure continued safety and security of our clients in their own homes.
