

# Hire Lake County

## Superior Felt & Filtration

Superior Felt & Filtration is a privately owned company that is celebrating being in business for 20 years. We distribute and convert non-woven, synthetic and wool felt. We provide filtration materials for medical and industrial applications. We also provide felt materials to the automotive, appliance, decorative, aerospace and many other industries. Our facility is safe, clean, and state of the art. Our company values employees, pays well, provides good benefits. Our work culture is team based, supportive and enjoyable. We need additional employees because we continue to grow.
