

Hire Lake County

Company Bio

Willkomm Excavating & Grading, Inc., established by Nick Willkomm, is a family owned and operated business based out of Union Grove, Wisconsin since 1998. Nick Willkomm has grown the company with his beginnings in small, private work. From these beginnings, Nick has developed Willkomm Excavating & Grading, Inc., into a full-service union, excavating, grading, and site utility contractor business working with general contractors, developers, municipalities, and individuals.

Nick and the staff of Willkomm Excavating & Grading, Inc. believe in offering quality work done correctly and efficiently, the first time, while staying within budget and focusing on safety. With this, he will push forward alongside an educated and skilled workforce utilizing state of the art technology including GPS navigation, along with a hard work ethic.

Willkomm Excavating & Grading, Inc. will continue to be the Southeastern Wisconsin staple in the construction industry for years to come.
