Company Bio

Founded in 1978, AHS is a 501(c)(3) organization dedicated to helping people become healthy, educated and employed. From those modest beginnings, our organization has grown into one of the region’s largest and most comprehensive immigrant-centered and trauma-informed centers.

AHS has partnered with Waukegan Public Schools to expand comprehensive mental health supports to students and families attending a Waukegan Public School. Our behavioral health service utilizes a holistic approach to **human services** to improve lives now and for generations ahead. Today, **AHS serves everyone who seeks our help, regardless of race or ethnicity. All are welcome here**
