Boys & Girls Club of Lake County

Boys & Girls Club of Lake County (BGCLC) is one of Lake County’s greatest resources, providing a constant source of hope and direction for youth. The Club's mission is to inspire all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens. It is only through the support of our local and national donors that the Club can provide youth with the tools they need to remove themselves from the cycle of poverty. Club members aren’t receiving a handout, but a hand up.
