Township Highway Commissioner

The communities of Fremont Township rank among the best places to live in the state of Illinois. We invite you to discover why our diverse community with its attractive neighborhoods, parks and open spaces is as well suited for the next generation as it is for those who have lived here all of their lives. Fremont Township and its communities offer a great mix of housing, quality schools, excellent community facilities and a strong quality of life blending the appeal of suburban living centered in a green belt of high-quality green space.

Our area is known to be a major bicycling and outdoor recreation hub in the northern suburbs, ranking high for those of all ages who enjoy an active lifestyle. Fremont Township villages are also rich in community spirit with a strong civic consciousness and pride.
