MEDIA RELEASE

Beach Park Homicide Investigation

On October 6, 2022, at approximately 12:40 a.m., Lake County Sheriff's Deputies were dispatched to a residence in the 38100 block of North Loyola Avenue, Beach Park, for a report of a person shot.

Sheriff's 911 Telecommunicators obtained information that the person who fired the gun (a 24-year-old man) was involved in an altercation inside the residence, with the adult man who was shot. Sheriff's deputies arrived and found a 37-year-old man deceased in the residence. The person who shot the man has been living at the residence and remained at the scene until deputies arrived.

Preliminary investigation shows the victim arrived at the residence of the 24-year-old. The victim knocked at the door and let himself inside, as he was an acquaintance of the female homeowner, who was not home when this incident occurred. The 24-year-old asked the victim to leave several times. A physical altercation then ensued between the victim and the 24-year-old. During the altercation, the victim retrieved a knife from the kitchen. The 24-year-old then shot and killed the victim.

The 24-year-old is currently in custody as detectives continue their investigation.

Based on the information obtained thus far, there is no known risk to the community.

The following information is on behalf of the Lake County Coroner's Office:

The Lake County Coroner's Office was notified and responded to the scene.

The victim has been identified as 37-year-old Tino Roane of Waukegan. On October 6, 2022, an autopsy was completed at the Lake County Coroner's Office. Autopsy result indicate that Mr. Roane died from multiple gunshot wounds.
