

**HIGHLAND LAKE WATER SYSTEM IMPROVEMENT PROJECT  
PLANNING IS UNDERWAY!**

Lake County Public Works (LCPW) is committed to providing reliable and resilient drinking water service. Thanks to funding from the American Rescue Plan Act, LCPW will be improving your neighborhood's water system to add additional well capacity and water storage.

Water capacity and storage is critical for everyday water service and in emergency situations. This project will help ensure your neighborhood has reliable water service for the years to come.

Planning for this project has just begun with construction anticipated to begin in 2024. For more information about the project, visit our project website at: [lakecountyil.gov/HighlandLake](https://lakecountyil.gov/HighlandLake)
