Help Name the New Water Tower

Scheduled for Construction Near Gages Lake Road

Lake County Public Works (LCPW) will be constructing a new water tower to be located at 18534 W. Old Gages Lake Road, Grayslake. Lake County is looking for your help to name the new water tower before construction begins in 2023!

LCPW is accepting name ideas through December 16, 2022. The submissions will be reviewed and between two and five options will be selected for you to vote on via a survey in January. The name of the new water tower will be announced in early 2023. You can submit your ideas by:

Using the form located at lakecountyil.gov/watertower

Emailing publicworks@lakecountyil.gov

Mailing to the following address: **Lake County Public Works
650 W. Winchester Road, Libertyville, IL 60048**

The new water tower is needed to meet the increased water demand due to new development over the years. The water tower will help ensure local homes and businesses have good water pressure and access to water during emergencies, such as power outages. Learn more about the new water tower at lakecountyil.gov/watertower
