Help the County Choose the Name of the New Water Tower

Scheduled for Construction Near Gages Lake Road

Lake County Public Works (LCPW) will be constructing a new water tower at 18534 W. Old Gages Lake Road, Grayslake. We are looking for your help in choosing the name of the new water tower before construction begins in 2023.

LCPW received overwhelming support for two different names below following a request in December for suggestions. Two additional options were also added. Now, LCPW wants to know which name you prefer. The options to choose from are:

- **Gages Lake**
- **Wildwood**
- **Gages Lake/Wildwood**
- **No name at all – leave it blank**
