## Cedar Roofing Company LLC

CRC is family owned and operated, proudly serving Illinois and Wisconsin communities since 1982. Although we began as Cedar Roofing Company, we quickly found that our customers were looking for much more than just cedar products. Over the years, our company’s services have expanded to include asphalt, slate, tile, metal, flat and commercial roofing as well as custom metalwork, gutters, siding, skylights and more. As our company has grown, so has our reputation as a leader in quality workmanship. Most of our employees have been with us for +20 years. We strive to expand and develop the skills that have earned us this reputation through on-going education and on-the-job training for all our employees.
