

Superintendents Report

June 2015

Lovell FHCC has announced that a new veterans advisory committee is being formed. The new committee will be Co-Chaired by Major General James Mukoyama and Al Lynch, MOH. The first meeting is scheduled for July.

Congratulations to Richard Johnson on Re-Election as District 10 Commander for the American Legion. Also, congrats to Lisabeth Risley on her election as Sr. Vice .

The Office at Lovell FHCC is going well, keep in mind we also perform notary service at both the Waukegan and Lovell Office. We current have gone over 11,170 mark for our client listing.

We met with Congressman Dold on May 7th. It was a productive meeting for us as several of the younger veterans urged the VAC to use social media in communicating with them. We also in turn urged them to help us with the communication process. John DeRue, Stan Villarreal, Allan Ayers and Bill Franquist were present.

On May 22nd, Congressman Dold will hold a meeting AT Cross Fit in Gurnee as a tribute to SGT Daniel Nerstrom. The VAC continues to maintain that a fitting tribute is the opening of a Drop In Center at the Lovell FHCC.
