YOUR OPINION MATTERS!

Dear District 8 residents,

The Waukegan National Airport seeks to make safety improvements to meet federal safety regulations and continue to serve Lake County. Runway 5/23 has reached the end of its useful life. Visit **WaukeganAirport.com** to learn more about the airport and the proposed improvement project.

As your Lake County Board Member, I want to know what residents think about this topic. Please contact me at **dhewitt@lakecountyil.gov** or call me at **224-627-0883** to share your thoughts or questions about this project.

Feel free to reach out if you have questions about how I can better serve you as your Lake County Board representative. Your feedback is valued!
